An excellent vintage in Toro in 2013 where a classy and singular Prima shines.

A nuanced nose dominates, combining precise fruit, red flowers and smooth minerality. Well measured, fresh and balanced with supple tannins, inviting you to drink due to its elegance and Atlantic character.

Late budding with a cold and rainy spring that slowed the growth cycle and caused occasional frosts. Severe green pruning to lighten the production on the younger vines and impeccable ripening development during the final stretch of summer with cool nights. Long, staggered harvest began in September and widespread from 5 October, with sun, firm skins and excellent natural acidity.
